

SLEEP EASY TONIGHT

With Our Adjustable Bed Protection Program

Your investment in an adjustable bed ensures a great night's sleep. Our Adjustable Bed Protection Program will allow you to rest easy and provide peace of mind against failure or breakage for the next 10 years.

10 Year Warranty Coverages Include:

- o Failure of electrical components including wiring, motors, and remote control devices
- o Breakage of mechanisms
- o Breakage of steel frames
- o Breakage of welds

To receive service, simply contact us at the number on your contract within 30 days of the occurrence. You will need your original sales receipt and your warranty plan number. Our extended warranty service includes repair or full replacement. See warranty contract for complete details.
